

Port Macquarie Game Fishing Club Newsletter

"Home of the Golden Lure"
Issue #3— September 2025
Your monthly dose of angling updates.

Welcome back to the September edition of the PMGFC newsletter!

It's great to have you all with us for another month.

We want to extend a huge thank you to everyone who has signed up for the upcoming year.

Your continued support is what makes our club thrive.

In this edition, we're celebrating some of the incredible catches and awards from our local anglers, providing key updates on our upcoming club events, and taking a closer look at the Port Macquarie game fishing scene.

Hey Crew,

Thanks to everyone that attended our club presentation. It was a great afternoon and it was great to see so many members' faces.

Well done to all the award winners.

A special mention to our two champion boats (major points): tag-and-release UWISHN and Capture Rare Breed.

On the fishing scene, things have been a little slow with the inconsistent weather.

Fingers crossed for some glass-out days. The charts are starting to look really good and we should see some good numbers of striped marlin this month, just in time for our in-house challenge on Saturday, September 13th, and Sunday, September 14th.

Hope to see everyone fishing.

Reminder: The first marlin of the season in the major points category is still up for grabs.

See you on the water!

Cheers

Vice President - Adam Garvey
