“Home of the Golden Lure”
Issue #11 – May 2026
Your monthly dose of angling updates.

Welcome to the May edition.

Check out the results, and a few snaps!

With a few months still left in the season, there's plenty of time to get out on the water and add a few more points to the board.

Hi everyone,

Hope you've all had a great April and managed to get out for a fish.

As we all know, it's that exciting time of year with the big blue marlin starting to make their way back up the coast, and it won't be long now until the yellowfin start showing up in decent numbers too.

Just a reminder that our AGM is coming up in May. Unfortunately, I'll be away due to work commitments and won't be able to attend this year, but I hope everyone is able to make it along.

I look forward to catching up with you all when I get home.
cheers.

Club President
Matthew Hobbs
