The safety organisation for competing boats is considered paramount. All boats must report by radio to Tournament Base on return to port. If unable to make radio contact they must make contact with another competing boat and have them relay Tournament Base before going to moorings.

Failure to report on return to port will invoke a penalty of loss of 5,000 Capture and 5,000 T & R points for the day by the boat concerned. **Tournament Base will be notified each morning by the Fishing/Adjudication Committee if the day is a fishing day.**

8. FLAGS. All boats are to display the appropriate Capture and/or T&R Flags on return to port. The weigh master will then direct boats accordingly to the appropriate areas.

9. MISCONDUCT. The Tournament Committee may on its own initiative investigate and act upon any incident occurring during the Tournament. The Fishing/Adjudication committee may invoke penalties or loss of points or disqualification of fish, angler or boat where misconduct is deemed to have taken place.

10. COURTESY. All anglers, particularly boat captains, are asked to display a degree of courtesy regarding burley trails and troll patterns behind boats. 12. BAD WEATHER. To avoid taking unnecessary risks in the event of bad weather, the Fishing/Adjudication Committee will decide whether the day will be a competition day or not. The Fishing/Adjudication Committee will confer and notify Tournament Base on the decision to be broadcast. Boats should establish early morning contact with Tournament Base. In the event of bad weather developing after the start of fishing the Fishing/Adjudication Committee will confer and decide whether or not the competition will be called off for the remainder of the day and will notify Tournament Base of the decision to be broadcast. All fish caught prior to this time will be eligible for the competition.

NOTE: A declaration of a Gale Warning by the appropriate government weather authority will automatically require the cancellation of the tournament. NOTE: Cancellation will only apply until Gale Warning is lifted. In the event of a declaration whilst vessels are at sea, such vessels are required to cease fishing immediately and return to port. The committee accepts no responsibility for decisions made by individuals whether to put to sea or not having regard to the Committee's decision on the Tournament for the day. The ultimate decision on return to harbor remains with the competitors.
